Kia Ora tatou

Principal's Message:

Kia ora koutou katoa,

It has been another busy week at Onewhero Area School with Friday's Tabloid Sports Day being a real highlight. It was great to see the colour and participation by so many students. Events like this, while they may seem unrelated to the school's core business of learning, lead to engagement in school and connection that has an important impact on students' learning. Your support and encouragement at home for participating in these events is appreciated as they are not just for the sporty students. Special thanks to the organising staff in both the junior and middle/senior schools and the parents who turned up to support the students involved.

Your student's fee/donation notice will accompany this newsletter today. Please refer to the first newsletter of the year for information regarding fees, donations, parent contributions. We understand that in many cases the amounts payable will not be manageable as a one off payment. If this is a problem then please get in touch with the office to arrange an automatic payment or payment plan.

OAS has been chosen to participate in a sports leadership programme for athletes called TLC (Talent, Leadership, Character) for some of our top athletes.

This is an ongoing academy programme run by Counties Manukau Sport and is free to our students. The following selection criteria for the programme will apply:

- Students in Years 7-12
- Have a proven record of excellence in their chosen sport(s)
- Be committed to attending tutorials during break times
- Have a positive attitude to all aspects of school
- Have aspirations for pursuing sport beyond school

Interested students should write a letter of application for the programme outlining how they can and will meet the above criteria. This will need to be delivered to Mrs Guard by 31 March.

Our school's charter and annual plan has been approved and submitted to the Ministry of Education for 2018. Please read this document as it outlines the school's direction for the coming year, our goals and targets. Our strategic focus has changed this year to four simple areas, outstanding leadership, outstanding wellbeing, outstanding achievement and outstanding curriculum. This is what we are working towards as a school and, while we won't always get it right, we are accountable to our community for making this happen.

Please let us know how we are doing against these aims, both positive and negative.

Have a great week ahead.
