

Reconnect is holding a fundraiser. Through 4thekidz, The Tedz project was established to create packs to give to children who have suffered significant trauma in their lives.

How can I help?

Donations of the following to create packs are always needed

- *Soft toys *Blankets *Torches
- *Colouring books *Notebooks/Diaries
- *Colouring items *Pens

Packs are created carefully, with each item having its own purpose for different ages.

The aim of 4thekidz is to raise child abuse awareness and strengthen families in New Zealand by engaging and empowering communities to support each other and to speak up, see the signs and stop the abuse.
