ONEWHERO AREA SCHOOL

ENROLMENT

Enrolment at Onewhero Area School is governed by the Educations Acts and their amendments and by the Immigration Acts. As a state school in New Zealand, Onewhero Area School accepts student for enrolment between the ages of 5 and 18 years.

Enrolment is accepted when accompanied by the following documentation under the following conditions.

1. The student is born in New Zealand. Enrolment is accepted on production of a birth certificate.
2. The student is a naturalised New Zealander. Enrolment is accepted on production of a citizenship certificate.
3. The student is either born in Australia or is a citizen of Australia by naturalisation. Enrolment is accepted on production of a birth certificate or citizenship certificate from Australia,
4. The student has an open student permit where the parent is either a diplomat or has a special permit issued by the Dept of Immigration. Enrolment is accepted on production of the student's passport.
5. The student has New Zealand residency. Enrolment is accepted on production of the student's passport.
6. The parent has a work permit. The student MAY be accepted for enrolment and the school will offer a place and a letter for immigration without payment of international fees to the school.
7. The student has a visitor visa. Onewhero Area School is not at this stage a signatory to the Code of Practice for the Pastoral Care of International students and cannot offer a placement for international students.

I have read the information regarding the enrolment of my child and the attached documentation is for condition:
